Heike Arneth, C.S.B.
Munich, Germany

As a young teenager, Ms. Arneth witnessed marvelous healings through Christian Science and as a result studied the foundations of Christian Science more deeply, practiced them in her own life and experienced healings of herself and others. Since 2005, Heike Arneth has been a full-time Christian Science practitioner helping people to find the healing and freeing effects of turning to God through prayer. She has been a Christian Science teacher since 2015.
